SMART CHOICE. **MADE EASY.**

I-Leaf Buildpro Pvt. Ltd, (An ISO 9001-2015 Certified company) was established in the year 2005. I-Leaf is India's one of the oldest, most trusted, durable and best quality steel door brand. The company deals in steel doors, steel windows, FRP doors and smart security locks & Viewers. I-Leaf has specialized in both import and in-house production and marketing of Full range of doors and windows. I-Leaf doors and windows are conducive to all weather conditions and can adapt to variegated construction requirements and designs.

EVERY
DOOR
OPENS
TO A

SECURE, GREENER TOMORROW

At i-Leaf, we craft more than doors—
we create sanctuaries of **security, style,** and **sustainability.**

VISION: _____

"To create spaces that blend security, style, and sustainability, making every home a reflection of trust and harmony with nature."

A MISSION TO PROTECT YOUR WORLD **AND** SHAPE THE FUTURE

MISSION: _____

"To deliver doors and windows that protect what matters most, with innovative designs and eco-friendly practices."

With **20 years of expertise,** we offer:

- **State-of-the-art security** with smart and fireproof doors.
- **Timeless aesthetics,** blending wood textures with durable steel.
- **Eco-friendly solutions** using 100% recyclable materials.

Every i-Leaf door is a promise of safety, style, and sustainability for your home and the planet.

i-LEAF - PROTECTING WHAT MATTERS MOST.

WHY
CHOOSE
I-LEAF
STEEL
DOORS?

PROTECT YOUR HOME, PRESERVE THE PLANET

When you choose **i-Leaf Steel Doors,** you're securing your homewhile committing to **sustainability and style.**

- **Eco-Friendly:** No wood, no deforestation—every door protects forests and supports a greener planet.
- **Durable:** High-quality steel resists warping, swelling, and cracking, ensuring long-lasting protection.
- **Effortless Installation:** Lightweight yet robust, our doors are easy to install and fit seamlessly into any home.
- **Stylish & Strong:** Timeless wood-like elegance combined with the unmatched strength of steel.
- **Cost-Effective:** 100% recyclable and built to last, saving you money and reducing waste.

**WITH i-LEAF, YOU'RE CHOOSING SMART SECURITY
THAT PROTECTS YOUR HOME AND THE PLANET.**

STEEL DOORS

AT A GLANCE

BUILT TO LAST. DESIGNED TO PROTECT.

Step into a world of unmatched protection and purpose with I Leaf Steel Doors—designed to safeguard what matters most to you. With fireproof resilience and advanced multi-locking systems, each door offers a fortress-like defense, providing the peace of mind you deserve. But it doesn't stop at security. Choosing I Leaf means choosing the environment—our steel doors help protect the planet by preserving trees, offering an eco-conscious alternative that's as strong as your values. Experience the perfect blend of innovation and responsibility, where durability meets sustainability. Protect your loved ones and the world around you with I Leaf—the door to a secure and greener future.
